RELEASE STATEMENT

Date: _____

I _____, give my permission to have the Otero Soil and Water Conservation District survey my property located at _____ for the purpose of mapping infestations of Otero County recognized noxious weeds.

Should noxious weeds be found on my property, a weed plan would be developed to manage the problem. All control options (mechanical, biological and chemical) will be reviewed. If the chemical option is chosen, it is understood that the Otero SWCD is not liable for any damages or injuries to life or property that may result from the use of the chemicals purchased from the Otero Soil and Water Conservation District. All chemicals will be used in accordance with all labels, warnings, and instructions.
